

**Amendments to the Specification**

Please replace the paragraph beginning at page 14, line 17, with the following rewritten paragraph:

The macro expansion processing and display techniques herein can be described in the general context of computer-readable media. Computer-readable media are any available media that can be accessed within a computing environment. By way of example, and not limitation, with the computing environment 700, computer-readable media include memory 720, storage 740, ~~communication media~~, and combinations of any of the above.
